{{round-trip}}

slight syntax tweaks for loading and error, coming soon...

```handlebars
{{#round-trip
  model=promise
  loading=(component "generic-loading")
  error=(component "generic-error")
  as |resolved|
}}
  {{!-- used resolved promise --}}
{{/round-trip}}
```

Demo

{{round-trip}}

slight syntax tweaks for loading and error, coming soon...

```
{{#round-trip
  model=promise
  loading=(component "generic-loading")     substates
  error=(component "generic-error")         in components
  as |resolved|
}}
  {{!-- used resolved promise --}}          focus on resolved result
{{/round-trip}}
```
